

# Dismantle and Inventory Control Technician

Maple Ridge, BC

Full-time, Part-time, Permanent, Apprenticeship

Salary: \$18.00 to \$22.00 /hour

---

## About Brikers:

We specialize in rebuilding and repairing damaged heavy equipment cabs and dismantling heavy equipment for remand and rebuild parts programs. As a growing company, we are always looking for skilled, dedicated, and experienced people in heavy equipment, parts, and automotive trades. We are an ITA recognized apprentice sponsor and offer competitive salaries, mentorship, training, and development opportunities as well as opportunity to learn and excel within the company for dedicated employees. We value our people, encourage continuous improvement, and recognize and reward those for exceptional performance.

## Job Description:

Your primary role will be to assist the dismantle crew by removing and palletising dismantled equipment parts from the dismantle bay. You will be responsible for cleaning the parts with a pressure washer, putting a part number on it, putting the items on the appropriate pallets or support equipment, and putting the items into inventory. You must give the highest regard to proper labeling and proper location (what we call, bin location) in order to be successful in this position. You will be required to be organized and be able to be given many / multiple tasks to perform in an efficient and timely manor. You should be able to work independently which means that you are able to keep yourself busy while you are waiting for your next tasks or able to prioritize a list given to you. Another duty of yours will be facility cleanliness. You will support the different department's onsite with rubbish and recycling removal as well as any minor tasks those departments may need help with. One of our company mottos is to be able to provide quick customer service so from time to time you may be required to perform pickups and deliveries with the company vehicles. This requires the abilities to secure loads to the vehicle that reflects safety integrities and also drive the vehicles in a manner that reflects courteousness and safety. This position is all weather which means that you could be in the elements (sun, wind, rain, snow) at any time. We do provide some wet weather gear however for best comfort and fit, you should be prepared with your own gear for warmth, and dryness.

**In Stock. Rebuilt. Ready-To-Ship.**
