POSITION: PREPPER

ABOUT BRIKERS

We're fixers - we've been rebuilding heavy equipment components for over 20 years. We dismantle whole equipment such as excavators, wheel loaders and rock trucks on site, rebuild the components to their original specifications, and test them on our in-house test bench. We take pride in what we rebuild, but most importantly, we value our people. We encourage continuous improvement and recognize and reward those for exceptional performance. We're managing our rapid growth and looking to expand, which is why we're looking for you!

POSITION SUMMARY

This position's primary responsibility is prepping various makes and models of excavator cabs for bodywork and paint. From time to time this position will also prep some heavy equipment parts, such as loaders and excavator booms. This position is full-time.

This is a full-time position for 40 hours/week and 8 hours/weekday. Work hours are between Mon - Fri 7:00am - 3:30 pm.

RESPONSIBILITIES:

- Able to prime parts as required.
- Cleaning, masking, and sanding of excavator cabs, components, and parts
- Repairing general damage, including cracks and dents on excavator cabs and heavy equipment.
- Performs quality repairs without passing on defects.
- Approaches repair planning with a sense of urgency and detail to avoid waste and rework later.
- Assists painter(s) and body man in daily tasks.
- Move cabs around using a forklift as required.
- Maintain tools and equipment.
- Clean shop and work area routinely.
- Prioritize incoming tasks from lead hand.
- Meet or exceed department goal of 3 cabs prepped per week.

QUALIFICATIONS:

- Must be able to wear a respirator mask for long durations.
- Ideal candidate has experience in both bodywork and paint.
- Preference given to applicants with experience operating forklifts.
- Technical training in automotive servicing, refinishing, or collision repair is an asset.
- Attention to detail with good prep skills.
- Must have reliable transportation.
- Must be able to listen to direction, be hands on, positive, and take charge on job duties
- Knowledge of taking things apart and putting together or previous assembly experience is helpful
- Problem solving, decision making, job task planning skills are a must.

PHYSICAL DEMANDS & WORK ENVIRONMENT

While performing the duties of this job the employee is regularly required to stand for long periods of time. The employee is occasionally required to sit; climb or balance, kneel, crouch, or crawl. The employee is regularly required to lift up to 10 pounds and up to 50 pounds. The vision requirements include close vision. The employee is regularly exposed to moving mechanical parts and outside weather conditions. The employee is exposed to moderate to loud noise environments and will be required to operate various heavy equipment, such as forklifts. Must be able to wear respirator mask for long durations.
