POSITION: WAREHOUSE ASSOCIATE

ABOUT BRIKERS

We're fixers - we've been rebuilding heavy equipment components for over 20 years. We dismantle whole equipment such as excavators, wheel loaders and rock trucks on site, rebuild the components to their original specifications, and test them on our in-house test bench. We take pride in what we rebuild, but most importantly, we value our people. We encourage continuous improvement and recognize and reward those for exceptional performance. We're managing our rapid growth and looking to expand, which is why we're looking for you!

POSITION SUMMARY

This position's responsibilities include making crates and pallets for inventory and outbound components. Other responsibilities would include cleaning parts, paint touch ups, boxing parts/cabs, unloading and loading trucks, organizing parts and product to the proper location. Inventory control requires all inventory being received to be itemized, catalogued, and put away accurately. The Warehouse Associate will also be responsible for supporting the dismantle and shipping departments with other duties as needed. This position is full-time.

This is a full-time position for 40 hours/week and 8 hours/weekday. Work hours are between Mon - Fri 7:00am - 3:30 pm.

RESPONSIBILITIES:

- Box, wrap, and bin locate cabs for inventory.
